

# Cheese and mountain fun - Excursion

1 day

## Excursion Gruyères – Gstaad

Visit the fortified 13th century Gruyères Castle, where a fascinating multimedia show takes you on the journey through time and where you can see magnificent exhibitions, is a must. Roaming through the Castle with its Knights' Hall, turrets, battlements, defensive walls and garden is a fantastic experience in itself. When visitors are tired of looking at the panorama of the Alpine foothills from the Castle terrace, they can stroll through the traffic-free streets of the small town. New photo opportunities present themselves at every step.

The Golden line will take you from Montbovon to Gstaad, then you will enjoy some mountain fun at Glacier 3000. How many destinations can boast guaranteed snow year-round? Apart from the breathtaking alpine scenery, Glacier 3000 has lots more in store: renowned architecture, Instagramable photo spots, and unique thrills...
