## Excursion Montreux - Rochers de Naye – Chillon

From the lake to the mountains and vineyards, Montreux Riviera offers a postcard landscape. It's an authentic little piece of paradise that has attracted many artists, writers and travelers in search of beauty, tranquility and... inspiration.

From the historic villages of Lavaux to the vertiginous peaks of the Rochers-de-Naye and the pristine waters of Lake Geneva, visiting Montreux Riviera is like stepping into a postcard. An immersion in the very heart of dramatic landscapes where great outdoors, panoramic views and the lifestyle are the keywords.

Enjoy a Bell Epoque short cruise from Montreux to Chillon Castle. Chillon Castle is located on a rock on the banks of Lake Geneva. The water castle is the most visited historic building in Switzerland. For nearly four centuries Chillon was the residence and profitable toll station of the Counts of Savoy.

After the lake, the history, time for some mountain:

Climbing by cogwheel train to Rochers de Naye offers a unique panoramic view of the Swiss and French Alps: from the Eiger to Mont-Blanc and down to Lake Geneva – the cog railway takes guests up to an altitude of around 2,000m, where various experiences and opportunities for discovery begin.

Taking you through a striking array of contrasts, this diverse tour starts at the sophisticated and lively town of Montreux and ends at the craggy summit of Rochers de Naye.
