1 day

Excursion Montreux- Chillon - Vevey - Lavaux

Today you will visit Montreux, enjoy a cruise on the lake to reach and visit Chillon castle, before enjoying some winetasting and a vineyard tour in the Lavaux region:

Along the shores of Lake Geneva, Montreux Riviera enjoys a microclimate that gives it a Mediterranean flair. The atmosphere is perfect for relaxing, going on walks, discovering new areas, and the climate is ideal for a rich terroir, cultivated expertly by restaurateurs and winegrowers. From Montreux, where you can admire ten miles of sheltered bays, bordered with flower-lined promenades, exotic plants and palm trees, you can reach Chillon by boat

Chillon Castle is located on a rock on the banks of Lake Geneva. The water castle is the most visited historic building in Switzerland. For nearly four centuries, Chillon was the residence and profitable toll station of the counts of Savoy.

In the afternoon, visit the wine region of "Lavaux" registered in the heritage of Unesco, between Lausanne and Vevey. Always on secondary roads, you will take "La Corniche" balcony overlooking Lake Léman and on which are hung the beautiful villages of Riex, Epesses and Chexbres. In one of these villages, a winegrower will present his estate and his production to you with supporting tastings.
