

Watch Making excursion

1 day excursion

Full day excursion Vallée de Joux

Today's visit takes you to the nest of watch making. The Vallée de Joux with its lake and long watchmaking tradition is a world of its own in rugged and unspoilt countryside nestling between Jura Mountain Ranges.

Espace horloger in Sentier presents current productions by the main watchmaking companies in Joux Valley, the cradle of grande complication watches.

Lunch will take place in the dazzling setting of the Hotel des Horlogers.

Back to Geneva in the afternoon for a watchmaking workshop: The ALPHA formula immerses you in the world of Swiss watchmaking through a course combining theory and practice. Guided by the Master Watchmaker, dismantle a mechanical movement with manual or automatic winding in order to discover its secrets, then proceed to its reassembly (watch not included).
