

## **Chamonix and The Mont-Blanc – D8**

**Geneva – Chamonix – Cable car to Aiguille du Midi –  
cogwheel train to Montenvers – Geneva**

**1 day excursion**

## Chamonix

From your hotel in Geneva, you will reach **Chamonix** in a couple of hours by private car with an english speaking guide. Chamonix is the world capital of mountaineering, which is located at the foot of the highest mountain in Europe, **Mont Blanc (4810m)**.

A meeting point for mountain lovers from all over the world, the town has a lot to offer. From the arrival of its first visitors in the 18th century, hotels opened and the city acquired the heritage of tradition and modernity that we know today: churches and chapels, Belle Époque palaces, facades Art-deco, chalets...

## Aiguille du Midi cable car

This famous needle, which is one of the highest in Chamonix, has been an unmissable destination for visitors for more than 60 years.

At your arrival in Chamonix, you will make **the ascent by cable car to the summit of the Aiguille du Midi**, the highest in Europe, to enjoy a view exceptional on **Mont Blanc**, in just 20 minutes, reaching an altitude of 3,700 m. Its terraces offer a 360° view of the French, Swiss and Italian Alps. Thanks to an elevator, you can access the summit terrace at 3842m, to discover a breathtaking view of the Mont Blanc.

### THE TUBE

A 32m long steel gallery to go all the way around the central piton of the Aiguille du Midi, at an altitude of more than 3,700m, without going back on your steps.

### THE STEP INTO THE VOID!

Breathtaking! Thrill seekers will appreciate the new attraction of the site... a technological feat and unforgettable sensations! More than a thousand meters of

vacuum under your feet, in this glass box, glazed on 5 sides... A small step for the visitor, a big step in the history of the Aiguille du Midi! Shivers guaranteed...

## Montenvers Train

From the middle of the city, the charming cogwheel train takes you safely to the Montenvers station, at an altitude of 1913m. After 20 minutes of an unforgettable journey, marvel at the famous Mer de Glace, a true witness to the climate changes of our time. Once at the Montenvers station, admire the north faces of the Grandes Jorasses at the end of the Leschaux glacier. In winter, discover the skiers, who descend, small as ants, the mythical Vallée Blanche from the Aiguille du Midi, via the Mer de Glace. Here, it's the gondola that allows you to discover the Ice Cave! A cave where you enter the bowels of the glacier for a memorable visit! It's also the place to visit the Glaciorium to understand all the history and the evolution of the Mer de Glace. Finally, there are restaurants to welcome you comfortably, without forgetting the legendary Montenvers hotel, opposite the Drus!

Back to your hotel in Geneva at around 7 p.m.
